VOICE SOLUTIONS

Making your environment speak for itself.

MIXHITS

Music moves us; it inspires us, it evokes emotion, it sets a mood. Music is one of the most dynamic ways to communicate your business' brand and connect to your target market without breathing a single word. It's why our team has curated this affordable, user-friendly selection of ready-to-play content. All content is licensed and ready for your use so you don't have to worry about the implications associated with playing unlicensed content.

SOUNDS THAT INSPIRE

Service is what we do best. Right from the start, we'll be by your side to answer questions, meet your needs, and follow up with unparalleled support. Our team is available 7 days a week with emergency support so you get the music you need, when you need it. *Available in the US only

MUSIC DELIVERY

Streaming

Load up to 20 channels to the player which can be changed right from the player on the fly. Requires reliable and consistent internet connection.

PROGRAM FEATURES

Supported

Our team of business music experts will help you find the perfect program. We're ready to help you with any questions you might have; we'll even provide support after hours.

Change

Content has never been easier to change! With the push of a few buttons you're on your way to a whole new playlist whenever you choose.

Quality Equipment

The iStream music player is specifically programmed to deliver quality MIXHITS content.

Licensed

No need to worry about hefty legal fees... ever. We've got great music for businesses across industries; from restaurants and stores to offices, spas, clinics, and more!

Control

Never worry about obnoxious DJ interruptions or poor satellite signals. We've got you covered with reliable music content the way you want it.

Stream

Content is streamed right to the player.

Custom Messaging

Our team of script writers and production experts are ready to create custom messages to align with your marketing efforts. No extra equipment required.

Options

Choose 20 playlists from our growing library of content to be loaded to your player; tailored to suit your brand, image, and needs. **Change your playlist** any time, any day, right from your player.

Refreshed

We update content every month. No exceptions.
